The tender may be either for both collection and carting or for any one of the two works only. The successful tenderer is required to enter into an agreement with the District Forest Officer within a week from the date of the receipt of intimation of the acceptance of his tender, binding himself to observe the following conditions, failing which the contract is liable to be cancelled and the earnest money forfeited to Government. The power of giving the contract to one or more persons is vested in the Conservator of Forests, Shimoga.

5. For the due fulfilment of the terms of contract, the successful tenderer should deposit in the Government Savings Bank, a sum of Rs. 100 as security (including the earnest money noted in condition 3 above) duly pledged in the name of the District Forest Officer, Bhadravati. The amount is liable to be forfeited to Government for the breach of all or any of the conditions of the contract. The earnest money of unsuccessful tenderers will be returned to them by means of cheques on the production of the receipts granted to them.

If the collection work of the contractor is slack during any fortnight and if in the opinion of the District Forest Officer, the contractor is not likely to discharge his obligations satisfactorily, the District Forest Officer will be at liberty either to cancel the contract at once, forfeit the security and make other arrangements to supplement the work at his discretion. Any extra expenditure which the department has to incur for this purpose, will be made good by the contractor.

(*g*) All good and sound telephone posts passed by the Range Officer, Narasimharajapura, should be carted to Agasanahadlu.
